Re: Refund Request to
Sarah H. Blackwell
191 Church St.
Pamplin, Va. 23958

To: Appomattox Co. Board of Supervisors

From: Community Development Department

Sarah H. Blackwell was inadvertently charged a \$25.00 County Zoning fee on building permit #200415. However, the project is in the Town of Pamplin, which administers their zoning separate from the County. Staff is requesting that she receive a refund of this \$25.00 fee.
